PUBLIC UTILITIES COMMISSION

Docket No. 2002-303

June 25, 2002

CENTRAL MAINE POWER COMPANY
Request for Approval of a Special Rate
Contract (Third Amendment to Special Rate
Contract with Northeast Doran)

ORDER APPROVING
CONTRACT

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

SUMMARY OF DECISION

By this Order, the Commission approves Central Maine Power Company's (CMP's) proposed Third Amendment to its customer service agreement (CSA) with Northeast Doran.

DISCUSSION AND DECISION

On May 28, 2002, CMP filed with this Commission a proposed Third Amendment to its CSA with Northeast Doran. CMP acknowledged that the amendment does not comply with all conditions of Attachment 6 of the ARP 2000.¹ Pursuant to Attachment 6, contracts with terms no more than one year beyond the term of the ARP, that are not anti-competitive or unduly discriminatory and that provide revenues in excess of the Company's marginal cost floors plus an adder, go into effect automatically. The prices in this amendment to the contract, however, while above the marginal cost floors, are not greater than the marginal cost floors plus an adder. Therefore, in order to become effective, this amendment requires Commission review and approval.

We have reviewed the amendment to the contract and find that while it does not technically comply with the provisions of the ARP, there is no significant risk to CMP's other customers as a result of this Agreement. Therefore, we will allow the amendment to the CSA to go into effect.

Accordingly, we

may become effective as of Northeast Doran's June, 2002 meter read date, as requested by CMP.

Dated at Augusta, Maine, this 24th day of June, 2002.
